Shri Rajendra Tiwari, learned *Amicus Curiae* points out that the work done by the Contractor is required to be assessed in the first place by the local officials and to be later on re-assessed by the Superior Officers in the hierarchy; but, there is one more Agency which is bestowed with the responsibility of counter-checking and auditing of the entire Project known as Technical Expert of the rank of Chief Engineer.

Counsel for the State prays for time to take instructions on this matter.

On the next occasion, these matters be listed before the Bench taking up assignment of Public Interest Litigation.

To be listed on **13.04.2016**.
