

SCHEME FOR IDENTIFICATION OF CASES FOR MEDIATION REFERENCE

1. Initially Panel of 15 Mediators amongst the empanelled Mediators of the High Court be constituted to identify cases which are fit for Mediation reference having some element of settlement.
2. The above said panel be finalised by the Main Mediation Monitoring Committee on recommendation made by High Court Mediation Monitoring Sub Committee.
3. The work of identifying suitable cases by the nominated Mediator must be done in the Board Departments/ Sections at the place where sitting arrangements are made available by the concerned Departments/Sections.
4. The Registrar (Judicial) to assign not more than 10 cases at a time to the mediator for examination and shall provide supporting staff working in concerned Department/section. That staff should keep cases ready for examination well in advance.
5. Each Mediator should identify at least 10 cases per month from pending/admitted matters in the High Court, which are not likely to reach for hearing at least for one year.
6. On examination of cases mediator should submit the list of identified cases to the Co-ordinator High Court Mediation Centre.
7. On receipt of list of identified cases, the Co-ordinator shall call the parties to the office and verify if the parties are willing to for mediation process or not?
