SUBJECT NO.05.Consideration regarding Unit Criteria for the Judge(s) of the Subordinate Court(s).

Discussed. Pursuant to the resolution of the Special Committee for hearing demands of the Bar Association for Physical / Virtual hearing held on 22.10.2021, wherein physical hearings have been resumed substantially it was found necessary that the reduction in the unit criteria adopted in view of the COVID-19 situation is not necessary to be continued. Since the courts have been fully opened, the Unit Criteria as existed earlier to the COVID situation should recommence. Hence, it is resolved that the relaxation of 50% which was granted for the prescribed units vide SOP dated 15.01.2021 shall continue to operate till 31st December, 2021. From 01.01.2022 the unit criteria should be as it existed prior to the earlier SOPs.
