17	Smartstation (Brand Name Of Apurva Computers Technologies Private Limited)	-----	This is with reference to pre Bid meeting on date: 01/07/2019 at Jabalpur MP for tenders <b>Reg(IT)(SA)/2019/926 Dated: 27/06/2019 &amp; Reg(IT)(SA)/2019/893 Dated:27/06/2019</b> We found that in terms & conditions BEE / Energy Star (EPA) 5.0 Certification required as mandatory for Thin Clients. Sir, we have executed similar order in <b>Gujarat High court</b> with <b>quantity of 1252 nos.</b> and were successfully installed since last one & half year with display connectivity as required. We have successfully done that project with <b>M/s. Wiptech Peripherals Pvt. Ltd</b> , Rajkot, Gujarat, and that tender does not required BEE/Energy Star (EPA) 5.0 certification for Thin	No Change.

			<p>Clients. In Maharashtra High Court tender also BEE /Energy Star (EPA) 5.0 Certification required for only for Display monitors and not mandatory for Thin Clients. Being a similar or same Government department we also expect for the same terms &amp; conditions. On <a href="http://www.beestarlabel.com">www.beestarlabel.com</a> which is official website for BEE certification requirements, Computers, Thin Clients and Laptop comes under Voluntary scheme, not under Mandatory scheme.</p> <p>We are also registered as OEM in Government E Marketplace (GEM) with our brand name "SMARTSTATION", where also this particular BEE /Energy Star (EPA) 5.0 certification does not required, It seems that the particular condition to have BEE/ Energy star(EPA) 5.0 Certificate for thin client in your tender will favor the particular brand, which will restrict other brands to participate in the your same tender Bid.</p> <p>We request your esteem department to please amend the terms and condition for BEE /Energy Star (EPA) 5.0 Certification mandatory in thin clients, which will be open and healthy competition for all bidders.</p> <p>Awaiting for your favorable response.</p>
