

**HIGH COURT OF MADHYA PRADESH: JABALPUR**

**// CLARIFICATION //**

**No. Reg(IT)(SA)/2017/396**

**Jabalpur, Dated: 30/03/2017**

**Subject:- The matter relates to publish the clarification / reply of the Pre-Bid meeting dated: 20 March, 2017 of the tender regarding the RFID project with reference to the tender no.Reg(IT)(SA)/2017/265, Dated:04.03.2017.**

**Ref: - Pre-Bid Meeting Dated: 20<sup>th</sup> March, 2017.**

**Reply / clarification to the pre-bid queries**

<i>S.No.</i>	<i>Query by the vendors</i>	<i>Reply to the query / clarification</i>
1.	They would like to know the current system flow, expected system flow and your expectation from the system.	It is requested to all the prospective bidders to visit the site regarding the system flow at High Court of Madhya Pradesh, Jabalpur.
2.	With reference of Page no. 41 point no. iv (1) where these cards are going to use for access control.	There is no requirement of cards for access control system.
3.	What is the use of 1 reader and 2 antenna.	The vendor has to offer best solution for RFID project with 1 reader and 2 antennas, but the vendor can get / quote better technology.
4.	Can you please share us the clarifications to move further and bid for the same. Apart from attached questionnaire in tender document you are given some score in technical bid for Quality certifications (ISO 9001) / CMMi Certifications. Please let us know quality certifications are mandatory to bid the tender or without having CMMi we can offer for this?	During evaluation the technical score shall be deducted accordingly by the High Court for not having the relevant certifications /
5	Is asset tracking system supposed to trace Fixed Asset types or it is supposed to trace inventories as well (like store consumables)?	Asset Tracking is for fixed assets / movable assets but not consumable items.
6	Does the vendor need to consider outdoor assets under metallic/non-metallic asset category? If so, what percentage/quantity shall be proportionated under this category?	All the assets which are available within the Court premises / Rooms shall be considered.

7	Is vendor supposed to extend professional service support to label (tag RFID) existing assets at court premise?	Yes.
8	Does the file tracking system supposed to be integrated with existing Case Management System, if any, for fetching Case Registration details or the proposed system should allow separate registration? If needed to be integrated, please share existing Case Management System and backend details.	The matter shall be finalized during finalization of software requirement specifications (SRS)
9	Is providing server infrastructure (application/ database/ mirroring) vendor scope of work?	The servers shall be provided by the High Court on the specifications as suggested by successful bidder
10	Do you prefer to have printers at different court locations (for RFID paper label printing) or is vendor open to propose pre-encoded tags?	No, the vendor is open to propose pre-encoded tags.
11	Can vendor use any existing SMS gateway services for SMS service or should vendor suggest SMS gateway also as part of solution proposition?	No, the SMS gateway shall be provided by the High Court.
12	Should any Audio/Video alert system be incorporated along with File tracking solution to secure unauthorized file exists thorough critical egress points? If required, how many such points to be considered.	Not required.
